*—Data will not be disclosed for any industry consisting of fewer than three reporting units. If there are three or more reporting units, data are also withheld for an industry level in which one unit accounts for 80% or more of that industry's employment.

**—State and Local Government included in "Total" but not distributed by division.

Note: Covered employment excludes domestic workers, railway workers, certain nonprofit corporations; majority of federal government workers, and self employed workers.

*—Data will not be disclosed for any industry consisting of fewer than three reporting units. If there are three or more reporting units, data are also withheld for an industry level in which one unit accounts for 80% or more of that industry's employment.

**—State and Local Government included in "Total" but not distributed by division.

Note: Covered employment excludes domestic workers, railway workers, certain nonprofit corporations; majority of federal government workers, and self employed workers.
